## **QUALITY POLICY**

*We At AMW Are Committed To Comply With Requirements Of ISO [Upstream And Downstream Suppliers] To Ensure Good Quality, Meet Customer Supply Of OEM Automotive And Industrial Components.*

In Order To Accomplish This, We Shall –

- Defect & Prevent Any Non-Conformance During Production.
- Identify Risk & Opportunities In All Processes For Improvement.
- Comply With Applicable Statutory & Requirements.
- Train & Motivate All Our Employees To Sustain Their Continual Awareness On Quality System.
- Upgrade Our Technology Continually To Meet Expectations Of Customer.
- Establish & Review Quality Objectives And Take Necessary Action As Needed.
- Effectively Communicate The Quality Policy To Our Employees & Other Relevant Interested Parties.
- Improve Quality Of Life The Communities Living Around Us By Providing Basic Needs Like Health, Water, Education Etc.
